Coaches

Ray Abellard & Dre Murray

Ray & Dre have extensive experience in coaching and developing skills for all levels of basketball. Together they will instruct all players. Both Ray & Dre attended college:

Ray played at the University of Central Florida where he led the nation in 3-point field goal percentage from 2001/2002

Dre at St. John's University.

Since their establishment in 2008, 11 student-athletes entering their Freshman year of high school has participated on the Varsity basketball level. In the past 5 years out of 11 student athletes, 5 of them have made 1st or 2nd All-League team and 4 have accomplished MVP honors. In addition to many successful accolades, A&M has produced five 1,000 point scorers.
